

FOOD FOR THOUGHT SEMINAR SERIES

listen.learn.devour.

sgi federal
An SGI Company

sponsored in part by
intel. and **Novell.**

Find out how to address the new class of computer visualization problems allowing you to:

- Interact with larger, more complex data and greater realism
- Effectively collaborate and distribute
- Gain rapid insight and discovery

You are invited to join your colleagues at National Energy Research Scientific Computing Center for an SGI hosted one hour seminar on new and advanced visualization solutions.

Space is limited, please [RSVP](#) today to avoid disappointment.

Regards,
Daniel Dowling
